With Playaways, your students can listen to an audiobook with ease. There is no need for any special equipment, juggling cassettes or CDs, or lengthy downloads. The entire book is already loaded on the durable Playaway unit, which is about the size of a deck of cards and made of sturdy plastic. Each Playaway comes with large print instructions, earbuds and an extra battery. Your students just plug in the earbuds and press play. Thanks to high-quality digital technology, Playaway offers sharp, clear, flawless sound.
