IS HAPPY TO ANNOUNCE: 6 NEW DATABASES

Announcing

Small Business Resource Center : A comprehensive database that covers all major areas of starting and operating a business, including accounting, finance, human resources, management, marketing and more.

Demographics Now: A comprehensive tool providing demographic data that allows prospective entrepreneurs, long-time business owners and students building marketing plans to collect, analyze and quickly act upon data. With demographic information including income, housing, race, age, education, consumer expenditures and more, users have immediate access to untapped opportunities that can significantly enhance their current business intelligence.

Chilton Library: When it comes to auto repair, do-it-yourselfers and automotive students have trusted Chilton for years. Now this trusted resource is available to you 24 hours a day through a simple-to-use database. Information and repair "How-to" can be found here for most popular makes and models of cars, trucks, SUV's and vans.

PriceIt! Antiques & Collectables : Use this subscription database for identifying, researching and pricing art, antiques and collectables. Containing more than 23 million records, it's an easy to use, sophisticated tool for beginning collectors and professional appraisers.

Legal Forms: Remove the mystery and expense from many legal transactions with this online reference that puts you in control. You will have access to thousands of professionally created, customizable legal documents at any time.

Testing and Education Reference Center: The Testing and Education Reference Center provides users with in-depth information about colleges and universities, graduate and professional programs, distance learning, corporate training, scholarships, entrance exams and more. Use this to help make informed decisions about your future!
