

Do you have the leadership skills to facilitate change and provide exemplary customer service in a medium-sized public library? Are you inspired by creative collaboration with colleagues, comfortable with social networking and technology and looking for a broad range of professional opportunities? Culturally rich college community of 33,000 (with affordable housing and no toll booths) seeks energetic, self-motivated, tech-savvy full-time young adult and reference librarian. We are looking for an individual with a variety of skills and interests to enhance library services to our community. Young adult services include collection development, programming and the Teen Advisory Board.

MLS from ALA-accredited program and library experience required. Ability to write well and speak in public is critical, along with strong organizational skills, composure to work under pressure and a sense of humor. Hiring range: \$38,500-41,000, depending on qualifications. Benefits include 15 days of vacation first year and 20 thereafter, paid holidays, health insurance, IMRF and Social Security.

Forward a letter of application, resume and three references to Pam Van Kirk, Director, Galesburg Public Library, 40 East Simmons Street, Galesburg, IL 61401 or e-mail pam.vankirk@galesburglibrary.org. Applications accepted until position is filled.
